Burlington Public Library  
166 E. Jefferson Street  
Burlington, WI 53105  
(262) 763-7623

# Celtic Music With Zing

## The Muses Return to Gen Con!

es, it is sounding like the rumors are true. The Muses are indeed returning to Gen Con this year. We are very pleased to have been included in the entertainment line up for this Gen Con's Events section and will be very happy to see the familiar and new faces at Gen Con once again. Please look for us in the Entertainment Spotlight area as well as performing out in the halls. We will also be running a contra dance on Friday evening so that will be a lot of fun!

## Presidential Library Day!

e have started a new national holiday! It falls on July 15th this year and is called Presidential Library day. Here's what it's all about! Most of the libraries we know, already have programs for kids during the summer months and we are asking them to take a few moments from one of those programs to have all the library kids write letters to the President, or perhaps draw pictures of their library... whatever they want to do. Then on July 15th the librarians will gather all of these letters and put them in a packet with a cover letter we provide and mail them off to the White House!

As many of you already know, the White House responds in some way to every letter received, so at the very least each library will get an official presidential response thanking them for their letters and support. Also, the president responds personally to seven letters every day so there's a chance that a couple of libraries may get personal letters from the president himself to frame and post in their library.

Children learn about government and taking an active role, libraries get recognition, and if a few thousand letters from interested children show up all within a couple of days of each other, each talking about how much they love their library... that's the sort of thing our lawmakers might just notice at a time they seem to be cutting funding left and right for our libraries! Together, we can make a difference!

## From Purple Mountain's Majesty to the Fruited Plains

asalt, Colorado is where we have our first show this month, at the Basalt Regional Library. Then we're down to the Plains to play in Fort Morgan for their Concert in the Park Series. Our next month has it's ups and downs like this. Montana is up (at least geographically) where we get to re-visit the Madison Valley library in Ennis, MT and one of our very favorite libraries, the Hearst Free Library in Anaconda, MT. Then we're off to Billings, MT for the Parnly-Billings Library and Bozeman for the Bozeman Public Library.

Back down to Wyoming for a couple of days to the Natrona County Public Library in Casper, then off to Gillette, WY for the Wyoming Celtic Festival. We're only there on Saturday for two performances during the day. Please see the show information above for ticket prices, etc.

We then race to the Lakeshore Library System in Southeastern Wisconsin. We have a week of 2 shows a day for their Summer Reading program at various libraries (all listed above) then we have a week in between our two weeks of Summer reading for the Wisconsinites so we're going to Minnesota to see Tanya's family and perhaps pick up a gig or two while we're in town. We're working things on our end, and if you know of anything on your end, please let us know! So back to Wisconsin for another week of Summer reading, then home for a few weeks of Colorado summer fun.

We are hoping to see many of you during this tour, it's always so wonderful to see friends again! Thanks for being loyal, and the world's most fantastic fans! Muses fans are the best anywhere!

See you all down the road!

-The Muses
